OCTOBER 2017

Principal's Message

Dear Fir Grove families,

We have had a very busy beginning to our school year: New breakfast procedures, new dismissal time, a kindergarten teacher being added, music all year, a PE teacher all year, and a new modular constructed and occupied. Along with all of these changes we are busy learning and doing great things here at Fir Grove.

This year we will be holding conferences earlier due to the change to four quarters instead of three trimesters. The whole district will be holding conferences on the same days. We look forward to meeting and talking with you about your child and their progress. Conference preference forms should be coming home today with your child. Please fill this out and send it back so that we can find a time that works best for you.

I would like to ask for your help on another matter. I am concerned about the safety of people in the parking lot when buses are here. For the safety of everyone here, please do not drive cars into or out of the parking lot while buses are here. Thank you for your cooperation.

Attendance Matters, Show Up, Every School Day Counts!!! Thank you for your support in getting your child to school every day.

Sincerely,

Mrs. Dickover, Principal
