

Library Media Center Bookmark Design Contest

1. Bookmark designs must fit within a 2" wide and 8" long space on white paper.
2. You may use a pencil, but black ink is better. (The lead or ink must be very dark.)
3. Do not color your design.
4. Do not cut out your design. Submit it on a full page of white paper.
5. You may use any theme to design your bookmark, but remember that the purpose is to promote reading or the library. (Your entry should have both a drawing and a slogan.)
6. Because of copyright laws, your design must be original artwork, not a tracing or other reproduction, such as Disney characters.
7. Do not sign your name on the design itself. On the back of your design print your first and last name and grade.
8. Students may submit multiple entries, but only one is eligible to win.
9. To be eligible to win, students must have no overdue Library books.

Hundreds of bookmarks will be made from each winning 2' X 8" design and distributed at the beginning of next school year!

See Mr. Bahr in the Library if you have any questions.

Thanks for taking the time to design!
