Douglas County School District 4

Code: JO/IGBAB-AR2

Adopted: 8/22/12

Revised:

Records Request and Information Release

The district shall permit an eligible student (age 18 or older) or student's parent(s) to receive upon written request information and/or education records of the student within the guidelines of Family Educational Rights and Privacy Act (21 USC § 1232g). In that case the eligible student or student's parent(s) may inspect, review or be informed of only the specific information about the student. This written request will be permanently added to the student's education record.
